Saint Jean Carbon Announces Trading on OTCQB under the Symbol TORVF

February 2nd 2017, Oakville, Ontario, Canada – Saint Jean Carbon Inc. (“Saint Jean” or the “Company”) (TSX-V: SJL) (OTCQB: TORVF), a carbon science company engaged in the design and build of green energy storage, green energy creation and green re-creation through carbon materials. The Company is pleased to announce that as of February 2nd 2017 Saint Jean Carbon will be trading on the OTCQB under the symbol TORVF. This allows the investor to trade the same shares on a different exchange. The Company has met the stringent requirements of the regulators. Saint Jean is not issuing more shares; the issued and outstanding shares will remain the same. The company will continue to be listed on the TSX.V under the symbol SJL.

Paul Ogilvie, CEO, commented: “As we continue to look for global reach with our communications, admission to the premium OTCQB Venture is part of a long-term strategy to introduce the Company to a broader international audience. This provides us with a trading platform for current and future American investors as well as a means of increasing our international visibility.”

The OTCQB Venture Market is for entrepreneurial and development-stage U.S. and international companies. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test and undergo an annual company verification and management certification process. The OTCQB quality standards provides a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

About Saint Jean Carbon

FORWARD LOOKING STATEMENTS: *This news release contains forward-looking statements, within the meaning of applicable securities legislation, concerning Saint Jean’s business and affairs. In certain cases, forward-looking statements can be identified by the use of words such as “plans”, “expects” or “does not expect”, “intends” “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved”.*

These forward-looking statements are based on current expectations, and are naturally subject to uncertainty and changes in circumstances that may cause actual results to differ materially. The forward-looking statements in this news release assume, inter alia, that the conditions for completion of the Transaction, including regulatory and shareholder approvals, if necessary, will be met.

Although Saint Jean believes that the expectations represented in such forward-looking statements are reasonable, there can be no assurance that these expectations will prove to be correct.

Statements of past performance should not be construed as an indication of future performance. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors, including those discussed above, could cause actual results to differ materially from the results discussed in the forward-looking statements. Any such forward-looking statements are expressly qualified in their entirety by this cautionary statement.

All of the forward-looking statements made in this press release are qualified by these cautionary statements. Readers are cautioned not to place undue reliance on such forward-looking statements. Forward-looking information is provided as of the date of this press release, and Saint Jean assumes no obligation to update or revise them to reflect new events or circumstances, except as may be required under applicable securities laws.
